Vetter Gives was formed in 1992 by Jack and Eldora Vetter for a twofold purpose: 1) to support the various needs of Christian organizations serving the less fortunate, and 2) to impact and improve the quality of education in health care.

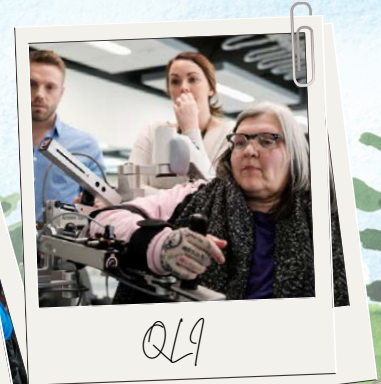

The primary purpose of **Vetter Gives** is to provide support for worldwide missions. The impact of **Vetter Gives** can be seen in inner city churches, rural ministries, African villages, and other points of need around the world.

Another purpose of **Vetter Gives** is to sponsor educational opportunities that focus on Christian ethics and principles of service in health care. Seminars are designed to develop attitudes of service and teamwork, promote people-centered leadership principles, and provide people the skills needed to continually improve the quality of life for seniors.

Vetter Gives is a 501(c)(3) charity described in the Internal Revenue Code. Public contributions to **Vetter Gives** are encouraged to support these purposes. All donations are tax deductible.

Throughout this past year we were able to help support several projects and needs. Listed here are just a *few* of the many ways lives were touched:
